MESSAGE FROM FOUNDER

Dr. M.P. SURVASE

**Founder Of Shri Tuljabhavani Bahuuddeshiya
Samajsevi Sanstha, Vetaltwadi's**

Dear Students, Parents and Well-Wishers,

We are delighted to welcome you to our institution where every child is valued, nurtured and inspired to achieve excellence. We believe there is a reason for everything we do – to provide the best possible learning environment for every student in our care.

I believe that every child has a unique potential. We believe that with the combined efforts of dedicated teachers, supportive parents and a progressive learning environment, we can help each student to achieve success in academics as well as in life.

Our aspiration reaches beyond academic achievement. We are committed to developing a school culture that celebrates diversity and values the individuality and unique talents and abilities of every child. Our aim is to create a setting in which our students are safe, confident and motivated to learn, develop and achieve success.

Education is not confined to textbooks and classrooms at our institution. We are of opinion that education should develop the complete personality of a child. We provide opportunities in academics, sports, cultural activities, leadership opportunities and value-based learning to help students discover their strengths and become confident, responsible and compassionate individuals.

I would like to encourage every student to take part fully in the different activities organised by the school as these experiences help build character, leadership, teamwork and self-confidence. Each opportunity is a step to become a whole person.

We think children are a gift from God, very precious and with a great potential. With dedicated teachers and full co-operation from parents, we can mould them into responsible, ethical and capable citizens who will contribute positively to the society.

As we advance on this noble journey of education, let us come together to forge a future of knowledge, values and excellence. May the Almighty bless our students, parents, teachers and entire school family with wisdom, strength and success.

Kind regards, Founder

Sai Public School

INTRODUCTION : Welcome to Sai Public School Madha

At School Sai Public School Madha, we believe that a strong foundation is the key to a bright and successful future. Our school is dedicated to nurturing young minds, fostering academic excellence, and preparing students to navigate a changing world with confidence.

We provide a seamless and comprehensive educational journey divided into three distinct phases:

- **Foundation & Primary Years (1st to 8th Standard – English Medium)** Our core English Medium track begins at the very start with Nursery, helping young learners develop strong language, cognitive, and social skills. This immersive English environment continues through primary and secondary school, thoroughly preparing students for their 10th-standard board examinations.

VISION : To deliver high-quality, accessible education from early childhood to higher secondary levels.

MISSION : To maintain an inclusive, modern campus that supports both academic and personal growth.

STUDENT FEATURES : Academic Excellence & Choice: Providing a strong foundation from 1st to 8th standard in the English Medium.

- Holistic Character Building: Instilling essential life values, self-discipline, and a strong sense of social responsibility alongside regular textbook education.
- Future-Ready Skill Development: Nurturing critical thinking, public speaking, and problem-solving abilities to prepare students for higher education and competitive career paths.
- Interactive & Supportive Learning: Fostering a safe, inclusive campus culture where student curiosity is encouraged and individual learning paces are respected by expert educators.

SMART CLASS : Transforming traditional lessons into interactive experiences using high-definition digital boards. Our smart classrooms make complex concepts visually clear, memorable, and fun for every student.

LIBRARY : Empowering students with access to extensive literary resources, academic references, and quiet study spaces. It is a dedicated space where curiosity meets information to support deep, focused learning.

SPORTS AMENITIES : From energetic playground activities for primary kids to professional training grounds for senior students. Our top-tier sports amenities provide the perfect platform for students to discover their athletic potential.

TRANSPORT FACILITIES : A dedicated fleet of safe, well-maintained school buses covering major routes across the region for hassle-free commuting. Every vehicle is staffed with responsible drivers and attendants to ensure your child's security and comfort.

CURRICULUM : Designed around the standard CBSE guidelines, our course of study offers a well-rounded academic foundation. Along with essential subjects like English, Hindi, Marathi, Math, Science, and Social Sciences, we enrich our students' learning experience through Computer , Physical Education, Art, Music.

CHILD CENTERED APPROACH : We place your child at the center of the educational journey, tailoring our teaching to mirror their unique talents, curiosity, and pace.

FACULTY : Our highly qualified and compassionate faculty do more than teach—they ignite curiosity, cultivate critical thinking, and guide every student toward their full potential.

COUNSELING : Our dedicated counseling team provides a safe, compassionate space to support students' emotional well-being, build resilience, and guide them through personal and academic growth.

CULTURAL AWARENESS : Through multicultural celebrations and globally conscious learning, we teach students to appreciate their own identity while embracing the rich tapestry of our global society.

EDUCATION TOURS /EXUCURSION : Our experiential field trips and educational tours bring lessons to life, turning real-world destinations into interactive environments for hands-on learning.

PLAYING FIELD : Beyond athletic training, our fields serve as a canvas where students master the values of fair play, grit, and the power of collaborative teamwork.

RECREATION ROOM FOR TINY TOTS : Equipped with age-appropriate toys and interactive learning zones, this dedicated space fosters motor skills, social interaction, and endless smiles for our tiny tots.

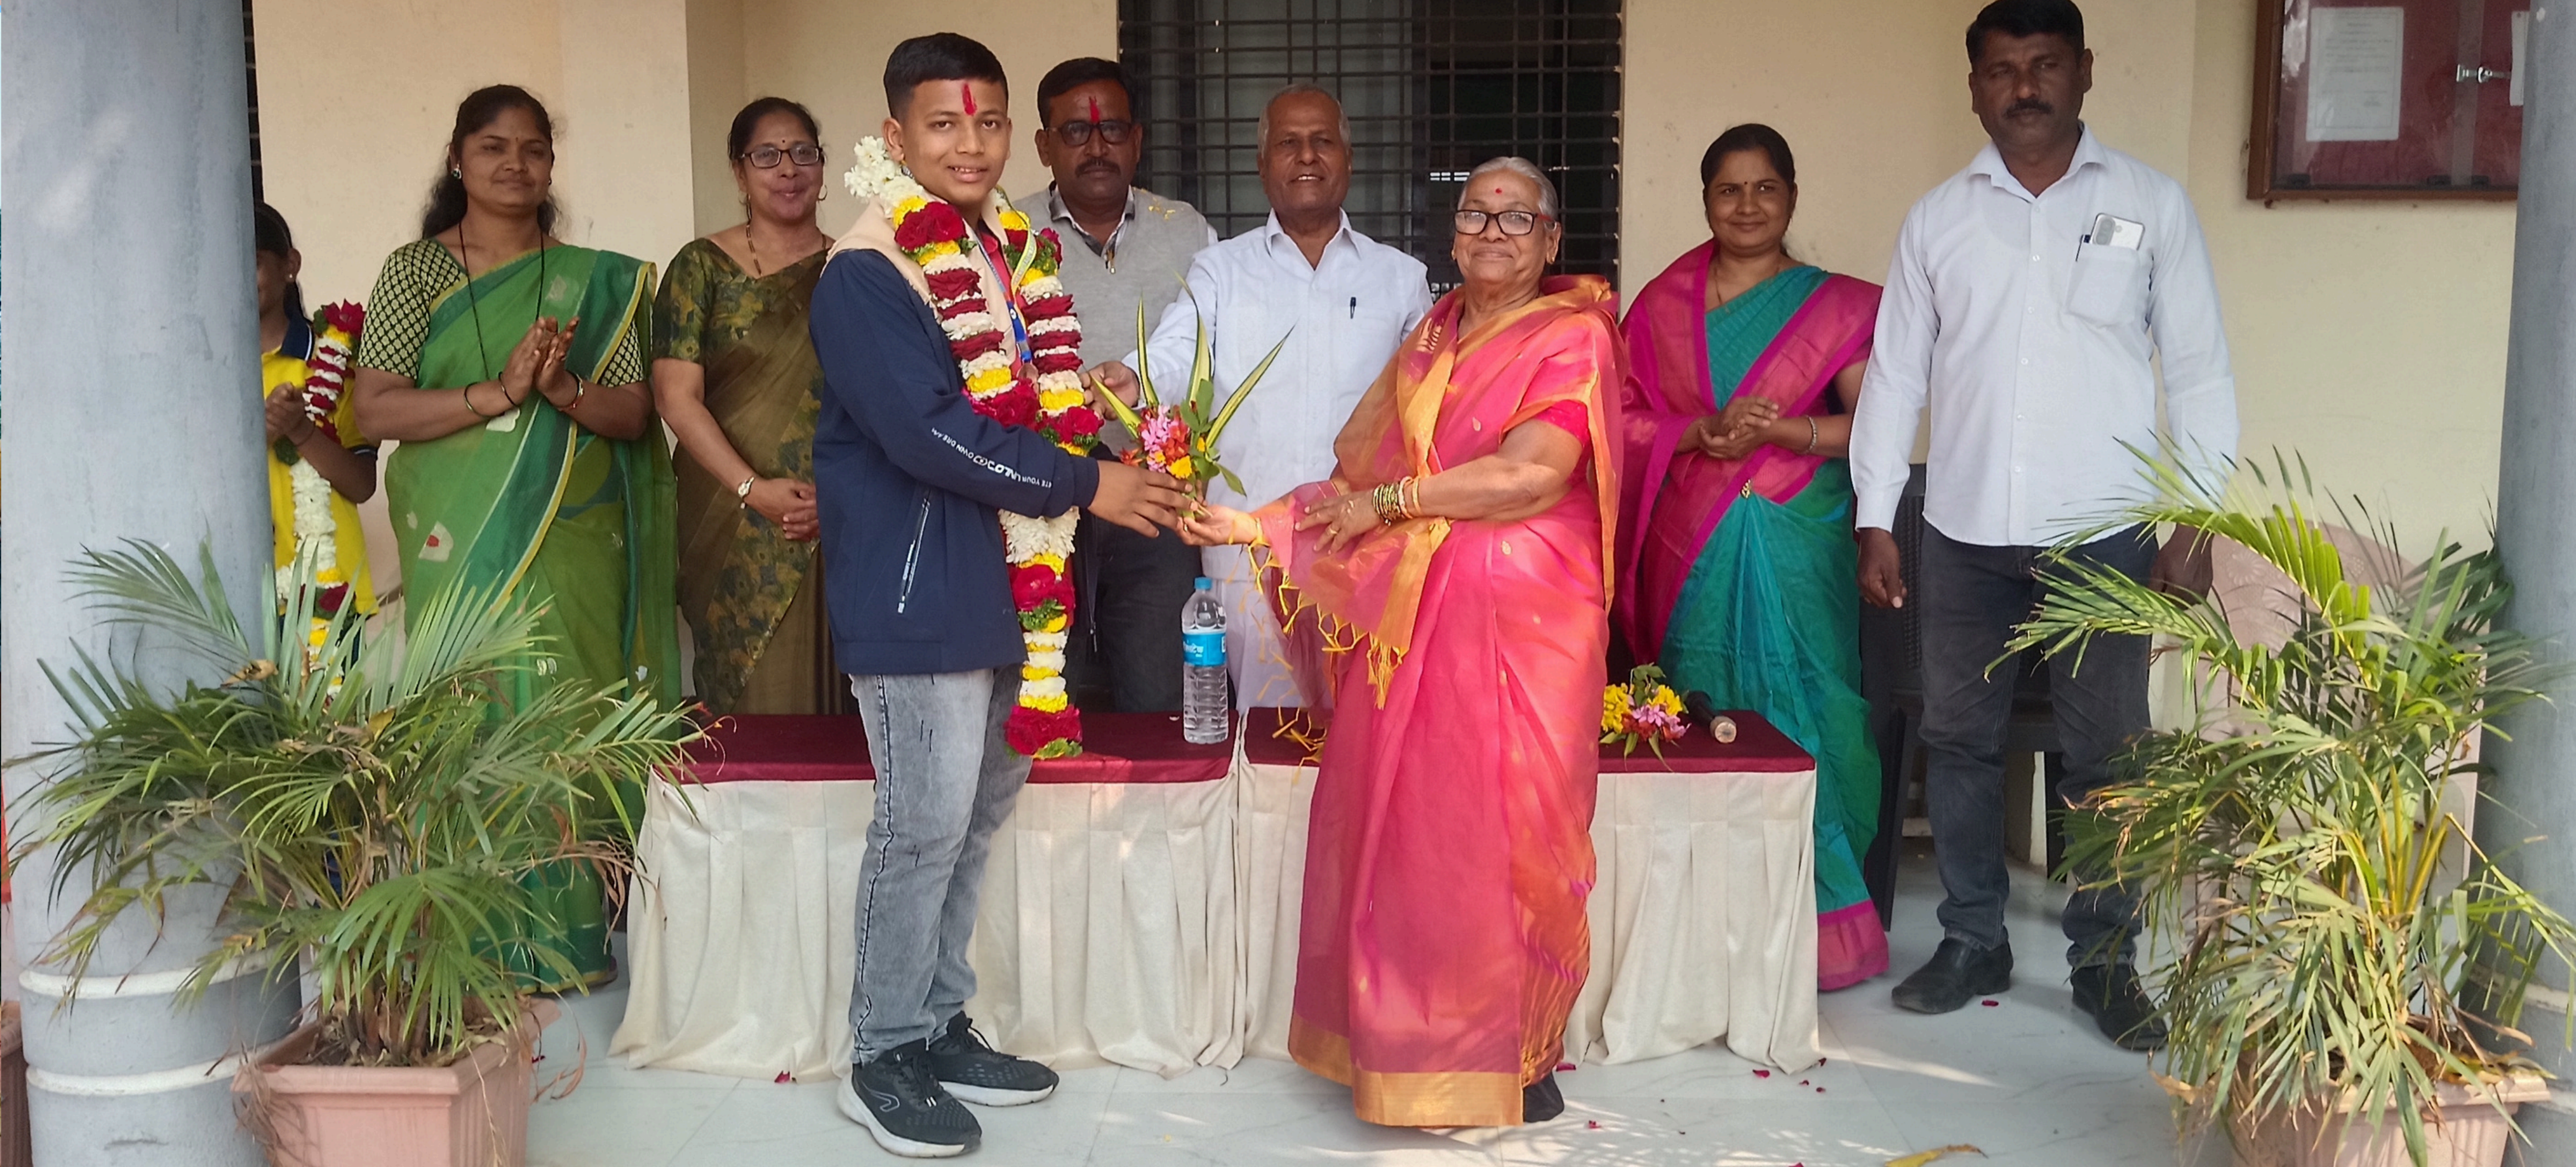

PARTICIPATION IN COMPETITIVE EXAMS : We actively prepare and encourage students to participate in prestigious competitive exams, building their confidence, sharpening analytical skills, and paving the way for national recognition.

MUSIC ROOM : Through expert guidance and a rich variety of musical genres, we nurture artistic talent, build performance confidence, and foster a lifelong love for the arts.

DOCUMENTS TO BE SUBMITTED : Birth Certificate of student / School living certificate , 2 photos of student, Adhar card of (Student , Mother , Father) etc.
